**JUNE 2010**

Firstly, our sincere apologies are due for the slight hiccup in last month's newsletter which some of you received up to 6 times! For those of you who alerted us to the fact, we responded with a personal email and we now take this opportunity to apologise to you all.

As you may have noticed, over the past eight months we have been striving to improve our service and this has resulted in some useful changes. We updated our web page and were able to include new enquiries into a sequence of useful information. We shared tips on the web page, from moving house to how to lift a box correctly, as well as more information on the additional services we offer – transportation, courier, container shipping & storage to name but a few. We also added a monthly newsletter which this month sees another change and we hope you like it.

**QUOTE OF THE MONTH**

**SUMMER** "No price is set on the lavish summer, June may be had by the poorest comer" (James Russell Lowell 1848)

**SUPERYACHT CUP**

The Superyacht Cup Palma 2010 will take place from 23rd till 26th June down at Muelle Viejo near the Old Town. Good luck to some of our clients participating – yachts Shamoun, Salperon IV and Konkordia and also to old clients - Ganesha – we hope to see you all at the Prize Giving! Regatta Village, where the yachts will be moored, will open its doors to the public on Saturday 26th between 1000 and 1400 so pop along to see some impressive sailing yachts.

**PLEASE DON'T SHOOT THE MESSENGER!**

A new ruling on taxes (La Ley de Presupuestos Generales del Estado 2010) was approved earlier this year and the result is that taxes will rise in Spain from 1st July. This will affect Value Added Tax and from 1st July you will see that the new rate will be at 18%.

**AND FINALLY ...**

Finally, have a great start to the summer – most Spanish schools are out on the 18th June – congratulations to all school leaving children of our clients and good luck with results, university choices etc! Don't forget your sun cream! And don't forget, we have sun blinds for your car to give away as well as a FREE PACK BOX (good for packing bikes or pictures or flat screen tvs) – just ask Cati or Rick when you next see them and please remember the magic word!
